VDW METROPOLITAN DISTRICT NO. 3 2020 BUDGET MESSAGE

VDW Metropolitan District No. 3 (“District”) is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act. The District was established as a “Financing District” as part of a “Multiple District Structure” for the mixed-use development known as “Van de Water” located in the City of Loveland, Colorado. Along with its companion Districts No. 1 (“Service District”), and No. 2 (“Financing District”), this District was organized to provide construction, installation, financing and operation of public improvements, including streets, traffic safety controls, landscaping, water, sanitary sewer, storm drainage, television relay, transportation, and park and recreation facilities.

The District has no employees at this time and all operations and administrative functions are contracted.

The budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

In preparing the 2020 budget, the following goals are foremost for the District:

- Collect the appropriate level of property taxes for distribution to the Service District in order to provide the level of services desired by the constituents and be able to make debt service payments related to the acquisition and construction of public improvements.

Overview

Highlights of the 2020 budget include the following:

- The assessed value of the District increased by \$2,508,966 in 2020, resulting in an increase in overall revenues of \$100,358.
- The District’s debt service mill levy calculation is based on the assessed valuation of both Financing Districts combined.

General Fund

Revenue

The District has an assessed value of \$10,092,562 and certified a mill levy of 40 mills, which will produce property tax revenue of \$403,702.48. In 2020, 33.127 mills of the District’s total 40 mills are dedicated to repayment of debt. Specific ownership tax is estimated at 7.5% of property tax revenue in 2020 based on historic trends. Total budgeted specific ownership tax is \$30,227.

Expenses

With exception of the County Treasurer's fees, expenditures are related to transfers to the Service District for overall operating costs and debt service as required by an intergovernmental agreement.

Fund Balance/Reserves

The District transfers all of its revenue to VDW Metropolitan District No. 1 and No. 2 as provided for in an intergovernmental agreement between VDW Metropolitan District Nos. 1-3. Therefore, no emergency reserve has been provided for in VDW Metropolitan District No. 3. The emergency reserve related to this District is held in VDW Metropolitan District No. 1.
