**VDW METROPOLITAN DISTRICT NO. 2
2022 BUDGET MESSAGE**

VDW Metropolitan District No. 2 (“District”) is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act. The District was established as the “Service District” as part of a “Multiple District Structure” for the mixed-use development known as “Van de Water” located in the City of Loveland, Colorado. Along with its companion Districts No. 1 (“Service District”), and No. 3 (“Financing District”), this District was organized to provide construction, installation, financing and operation of public improvements, including streets, traffic safety controls, landscaping, water, sanitary sewer, storm drainage, television relay, transportation, and park and recreation facilities.

The District has no employees at this time and all operations and administrative functions are contracted.

The budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

In preparing the 2022 budget, the following goals are foremost for the District:

- Collect the appropriate level of property taxes for distribution to the Service District in order to provide the level of services desired by the constituents and be able to make debt service payments related to the acquisition and construction of public improvements.

Fund Balance/Reserves

The District transfers all revenue to VDW Metropolitan District No. 1 as provided for in an intergovernmental agreement between VDW Metropolitan District Nos. 1-3. Therefore, no emergency reserve has been provided for in VDW Metropolitan District No. 2. The emergency reserve related to this District is held in VDW Metropolitan District No. 1.

Debt Service Fund
